"Generation Y explained!!"

We all know . . .

people born before 1946 are called The Silent generation...

folks born between 1946 and 1959 are called Baby Boomers...

people born between 1960 and 1979 are called Generation X...

and young people born between 1980 and 1995 are called Generation Y.

Do you know why we call the last one Generation Y?

The cartoon below explains it eloquently . . .
